Is Sickness a Sin?

If not, it's wicked to neglect illness and means of relief. It's wicked to endure liver ills, headache, indigestion, constipation, when one dose of Po-Do-Lax gives relief. Po-Do-Lax is Podophyllin (May apple), without the gripe. It arouses the liver, increases the flow of bile—nature's antiseptic in the bowels. Your constipation and other ills disappear overnight because Po-Do-Lax has helped nature to remove the cause. Get a bottle from your druggist today. TITLE TALKS

XXI

IT HAPPENED THIS WAY

Several years ago Mr. B. purchased a piece of valuable land in Coconino County without an abstract of title and later heard that his title was not good.

He had the matter investigated by a lawyer without the guide of an abstract of title; suit was accordingly brought to quiet title and judgment was obtained by the lawyer against nearly a dozen persons.

Mr. B. now gets an abstract of title and it is found that the actual owners of this land were not included as defendants in this action to quiet his title and that the title at this time rests in them, and that his judgment grants him no relief.

Further found that the suit was unnecessary and that his title might have been perfected without it at practically no cost or trouble.

This suit cost him several times the price of an abstract of title and he got nothing for his money.

MORAL—Get an abstract of title first.
